## Jenkins 25' Single Gasoline

Jenkins' boat is powered by Kodiak 8.1L gasoline engine and coupled to a Hamilton 241 with 4.0 turbo impeller. Features include 3 air ride seat across the front, bench seats with backrests, top trays, single fish box in floor, standard heater/defroster plus a secondary diesel heater, pilot and passenger pantograph wiper, full instrumentation, rear rails, bow rails, dome lights, trim tabs, washdown, anchor locker, water tight cross storage box, an electronics package that includes radar, GPS and depth sounder, stereo with 4 speakers, VHF radio, remote spot lights, spreader lights, downriggers with power outlets and Coast Guard approved running and navigation lights.

Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.

## SPECIFICATIONS

**Owner:** Jamie Jenkins  
Private, Recreational
