Fewel 27' Twin Gasoline

Fewel's boat is powered by twin Kodiak 350 MEFI V engines and coupled to Hamilton 212's with 3.4 turbo impellers. Standard features include pilot and co-pilot air ride seat with and a jump seat on forward, bench seats with backrests, top trays, dual fish boxes, heater, pantograph wipers, full instrumentation, removable rear rails, dome lights and Coast Guard approved running and navigation lights. Extra's include stereo with 4 speakers, watertight cross storage box, washdown system, diamond tread floors, self-bailing motor cover lids and removable seat box extensions to the fuel cell with a table integrated into the top of one, spot lights, fish box in swim deck, hydraulic/electric shift and trim tabs.

Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.

SPECIFICATIONS
