Kelly 28' Twin Gasoline

Kelly's boat is powered by Kodiak 383 gasoline engines and coupled to Hamilton 213's with 3.4 turbo impellers. Features include 3 spring ride seats across front, bench seats with backrests, top trays, fish box, heater, pantograph wipers, full instrumentation, removable rear rails, dome lights, watertight cross storage box and Coast Guard approved running and navigation lights. Extra's include, washdown systems, self-bailing motor cover lids, rocket launcher rod holder, rear rail corner seats, bow ladder, 3rd battery system with power outlets and charging system, remote start/stop and tilt/trim for the trolling motor, stepped swim deck with fish box integrated in, powder coated rails and spot lights.

Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.

SPECIFICATIONS
