Dolphin Jet Boat Tours - "Raven's Journey"

"Raven's Journey" is the 3rd vessel built for Dolphin Jet Boat Tours in Juneau, Alaska following Big Blue and Sommer Star. "Raven's Journey" design incorporates not only the previous 2 vessels but current propulsion package, build standards and performance designs. The triple engine Yanmar and Hamilton jet package offers quick and efficient travel to the whale watching grounds optimizing the time offered to passengers for wildlife viewing. Spacious seating, cabin and deck space gives an excellent viewing and comfortable platform. Onboard head and serving area for refreshments are added vessels features.

Bentz Boats has set the standard for quality and innovation for over 40 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz Boats has developed our hull designs to operate in the conditions specific to each customer. From shallow, fast running rivers to open saltwater conditions. Each boat is designed with passenger comfort, stability and safety in mind.
