Hoonah Tours "Hoonah Bound"

The "Hoonah Bound" was specifically designed for the open waters of Hoonah near Juneau, Alaska and the whale watching opportunities in the area. Twin 350hp Yamaha outboards produced a 25 knot cruise with full passenger weights and fuel at 3600 RPM's. Features include Bentz custom seats, spacious viewing windows, Wallas diesel heaters and defrosters including side window defrost, on board head with pump out and overboard capabilities, spacious forward and aft deck. Specially designed offshore bracket and trim tabs allows the operator numerous trim options for the boat depending upon water conditions.

Bentz Boats has set the standard for quality and innovation for over 40 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of safety and helps ensure that each boat operates with a minimum of maintenance.

Bentz Boats offers full design and propulsion options to best fit the water conditions and operating characteristics specific to your needs. Let Bentz Boats custom design and build your next boat.
