

# Bentz Boats, LLC

## POSSIBLE USERS

**TOUR OPERATORS** – Capable of speeds up to 55 mph, hotels, cruise lines, resorts, and tour companies can offer unique trips to enhance the experience of their guests.

**PUBLIC TRANSPORTATION** – With its capacity to carry 47 passengers at 40 mph cruising speeds, in water as shallow as 12 inches, along with its low maintenance aluminum hull and Hamilton jet pumps, it offers an attractive alternative to buses and trains along inland waterways.

**MINING AND EXPLORATION** – in severe climate conditions, this rugged vessel can deliver people and supplies in an enclosed, heated environment.

## "Happy Hour"

"Happy Hour" is the second tour boat Killgore Adventures has purchased and together with "Moonshine", Killgore's 28' boat, passengers will have the opportunity to safely see Hell's Canyon, the deepest gorge in North America and its spectacular whitewater.

The U.S.C.G. certified boat has a combination of booth and bus style seating with the center bus seating being removable to allow for raft party jet backs. Driven aft, the boat's captain can not only navigate the river but also view passengers reducing the total amount of required deckhands.

Passengers can be boarded over the bow using the fold down bow ladder or through the aft gates to either side. Freight and gear can also be loaded through the larger center door opening forward or through the expansive side openings. Side curtains are available for cooler days but are removed during warmer weather.

The propulsion package, triple Yanmar 315hp diesel engines and Hamilton 241 jet units with turbo impellers, coupled with Bentz engineered stick steering and hull design makes the "Happy Hour" a high performance boat capable of safely navigating the extreme waters found in Hell's Canyon.

## "Happy Hour" SPECIFICATIONS

**Type of vessel:** Passenger and Freight

**Owner:** Killgore Adventures

**Operator:** Kurt Killgore

**Home Port:** White Bird, Idaho

**Designer:** Darell Bentz

**Builder:** Bentz Boats, LLC

**Construction Material:** Aluminum

**Length:** 36'-0"

**Waterline Length:** 32'-0"

**Bottom:** 10'

**Beam:** 12'

**Depth:** 4' 6"

**Draught:** 12" (@ Speed)

**Displacement (Loaded):** Static 30"

**Engines:** 3 – 315 hp Yanmar Diesel

**Jet Units:** 3 – 241 Hamilton Jet

**Maximum Speed:** ~ 55 mph

**Cruising Speed:** ~ 40 mph

**Fuel:** 250 Gal. Diesel

**Passengers:** 47 Passengers

**Crew:** 1 + operator

**Range:** 480 Miles
