

Bentz Boats, LLC

Bentz Boats' legendary hull design is now available in a recreational version. We realize that not everyone needs a boat built to the commercial standards of our custom models but still need something that offers superior strength and durability. The Bentz recreational version uses the same aluminum alloys, components and wiring standards of our commercial builds with a simpler hull form, making the recreational version more affordable without sacrificing the quality that Bentz Boats are known for.

Bentz pioneered features include the sled shaped bow, short stroke mechanical stick steering and delta pad bottom. These features contribute to the boats' superior handling, quick planing and shallow running capabilities.

SPECIFICATIONS

Type of vessel:	Recreational Whitewater Series
Length:	20' or 22'
Bottom:	6' or 6 1/2', 1/4" 5086
Beam:	8' or 8 1/2'
Deadrise:	11 degrees
Sides:	32", 1/8" 5086
Engine:	Mercury 200 or 250 Optimax
Jet Units:	Mercury Sportjet
Impellers:	4 blade stainless steel
Maximum Speed:	~ 50 mph
Cruising Speed:	~ 30 mph
Fuel Cells:	Single 60 gallon
Trailer:	Tricker Tandem Axle

DISTINGUISHING FEATURES

- * Pilot air ride seat
- * Passenger console shock absorbing seating
- * Engine compartment easily accessed for maintenance
- * In floor fish box
- * 2 floor options
 - light weight aluminum honey comb- spray coated*
 - diamond tread aluminum*
- * Trolling Motor Mount
- * Swim platform with pump guard
 - * Fish Cleaning/Bait Cutting Station
 - * Full length side trays
 - * Hand washing station
 - * Custom paint & striping package
