

Bentz Boats, LLC

Bentz Boats' legendary hull design is now available in a recreational sled version. We realize that not everyone needs a boat built to the commercial standards of our custom models but still need something that offers superior strength and durability. The Bentz recreational version uses the same aluminum alloys, components and wiring standards of our commercial builds with a simpler hull form, making the recreational version more affordable without sacrificing the quality that Bentz Boats are known for.

Bentz pioneered features include the sled shaped bow, short stroke mechanical stick steering and delta pad bottom. These features contribute to the boats' superior handling, quick planing and shallow running capabilities.

SPECIFICATIONS

- Type of vessel:** 6 Pack/Recreational Sled
Whitewater Series
- Length:** 22'
- Bottom:** 6 1/2', 1/4" 5086 alloy
- Beam:** 8'
- Deadrise:** 11 degree constant
- Sides:** 32", 1/8" 5086 alloy
- Engine:** Mercury 200 Optimax
- Jet Units:** Mercury Sportjet
- Impellers:** 4 blade stainless steel
- Maximum Speed:** ~ 45 mph
- Cruising Speed:** ~ 30 mph
- Fuel Cell:** Single 60 gallon
- Trailer:** Tricker Tandem Axle

DISTINGUISHING FEATURES

- * Console height set for greater visibility
- * Pilot and passenger console shock absorbing seating
- * Engine compartment easily accessed for maintenance
- * Standard passenger seating includes:
 - Icey Tek cooler seat at console*
 - 1—2 directional, 2 passenger seats*
- * Live well, bow and anchor storage lockers, lockable
- * Console storage under seats, lockable
- * Diamond tread aluminum flooring
- * Trolling Motor Mount
- * Swim platform with pump guard
- * Fish Cleaning/Bait Cutting Station
- * Forward hand rails
- * Self draining hatches
- * Washdown Kit
- * Full length side trays
- * Hand washing station
- * Custom striping package
