POTENTIAL USERS

GUIDES AND OUTFITTERS – high maneuverability, shallow draft, expansive interior room and rugged construction allows comfortable access to remote fishing and hunting opportunities for a world wide customer base.

EXTREME WHITEWATER ADVENTURES – the shallow draft, rugged construction, powerful engine and pump combination with the turbo impeller make this boat a natural for whitewater enthusiasts seeking new rivers to navigate.

GOVERNMENT AGENCIES – constructed to exceed USCG certification standards this boat will allow law enforcement, wildlife management, search and rescue, fisheries and the

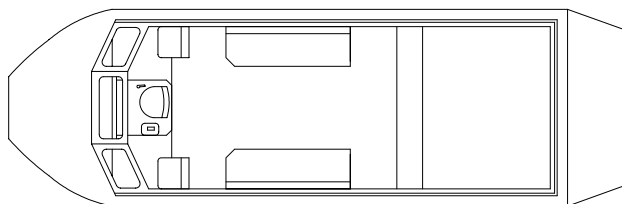

"6 pack" OUTFITTER

The 6 Pack Outfitter represents the single engine version of the popular Salmon River design Bentz boat. Outfitters who specialize in taking groups of up to six hunting and fishing influenced the design of this model. Bentz created a roomy interior by keeping its helm seat mounted well forward and by using a 9' beam, leaving plenty of room for gear and passengers. The canvas top frame not only keeps everyone dry but is high enough for a 6' person to stand upright.

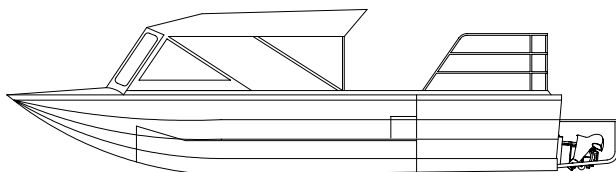

The single 502 TBI Marine power gas engine drives a Hamilton 241 pump with a turbo impeller. This heavy-duty combination provides plenty of power to handle heavy loads and the turbo impeller significantly reduces cavitation in whitewater while letting the boat cruise on plane at lower rpm's.

Despite its reduced length, Bentz puts the same substructure in the hull as it uses in the large tour boats. 5086 marine aluminum is used throughout: sides, bottom, transom, and bracing. For extra protection in rocky river channels, 1/2" thick plating shields the rear 4' of the delta pad bottom.

This design also incorporates the mechanical stick steering pioneered by Bentz Boats.

"6 pack" OUTFITTER SPECIFICATIONS

Type of vessel: Outfitting Guide Boat

Owner: Mike & Gail Smith
M&G Outfitters

Operator: Mike Smith

Home Port: Bend, Oregon

Designer: Darell Bentz

Builder: Bentz Boats, LLC

Construction Material: Aluminum

Length: 26'-0"

Waterline Length: 22'-0"

Bottom: 7'

Beam: 9'-0"

Depth: 3'-9"

Draught: 8"

Displacement (Loaded): Static 20"

Engines: 1 – 502 TBI Marine Power

Jet Units: 1 – 241 Hamilton Jet

Maximum Speed: ~ 50 mph

Cruising Speed: ~ 30-35 mph

Seating: Mariner spring ride

Dual fold down jump seats

Bench Seats with backrests

Fuel: Dual 60 gal. Saddle tanks

Passengers: 6 Passengers

Crew: 1 (operator)

Range: 350 Miles
