Plant Location – 155 Southport

Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.

## Alaska Canopy Adventures 28' Twin Gasoline

ACA's boat is powered by twin Kodiak 350 engines and coupled to Hamilton 212's with 3.4 turbo impellers. Standard features include spring ride seat with jump seats on either side, 2 passenger bus seats, top trays, dual heater, pantograph wipers, full instrumentation, welded rear rails, dome lights and Coast Guard approved running and navigation lights. US Coast Guard required equipment includes halon fire extinguishing system in the engine compartment, high water bilge alarm, fume detector, engine shutdown system, fire extinguishers, VHF radio, EPIRB and ring buoy with throw rope. Extras include a PA system and additional seating on the fuel cell. Certified for 20 passengers for exposed waters.
