## "Chutine Warrior" 34' Twin Diesel

Alaska Water's boat "Chutine Warrior" is powered by twin Cummins QSB5.9, 355 hp diesel engines and coupled to Hamilton 274's. Standard features include pilot spring ride seat with jump seats to either side, combination bus and bench seats, top trays, dual heaters, pantograph wipers, full instrumentation, welded rear rails, dome lights and Coast Guard approved running and navigation lights. Extra's include spot and flood lights, galley and head with running water, complete navigation electronics package, IBA, EPIRB, satellite phone, battery charger, VHF and CB radios, custom PA system, radar tower, canoe racks and tables.

Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.

## SPECIFICATIONS
