"Rapids Runner" 28' Twin Gasoline

The "Rapid Runner" vessel will operate for Dent Island Lodge along the inside passage in British Columbia offering local open water and river tours plus fishing excursions.

The 28' twin is powered by Kodiak 5.7L Chevy engines, 330 hp gasoline engines and coupled to Hamilton 212 jet units. The hull deadrise was configured to allow for both open water operation and rivers with whitewater rapids. The boat's stability meets either US Coast Guard Exposed Waters criteria or Canada's Category C requirements.

The boat includes bus style seating, dual on board heaters, bow rails and ladder, rear rails with rod holders, VHF radio and electronics package, trim tabs, sand traps and an external muffler system.

Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats superior handling, quick planing and shallow running capabilities.
