## Curt & Diane Hardin

Curt and Diane Hardin of Fruitland, Idaho wanted a boat that would safely handle the tough whitewater of upper Hell's Canyon and the technical waters of the Salmon River.

Curt and Diane's boat is powered by Kodiak Marine 5.7 Liter BFI's and coupled to Hamilton 212's with 3.4 turbo impellers. Standard features include pilot air ride seat with a passenger air ride seat and a jump seat on either side, bench seats with backrests, top trays, fish box, heater, pilot and passenger pantograph wipers, full instrumentation, removable rear rails, dome lights and Coast Guard approved running and navigation lights. Extra's include tinted sliding side windows, fish finder, CB, rocket launcher rod holder, removable pedestal seats on the high deck plus rear rail corner seats, watertight cross storage box, hydraulic/electric shift, spot lights and spreader lights, TR1 Gold auto-pilot system, locking motor compartment and fuel fill plus a hardtop with stern cover.

Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.

## SPECIFICATIONS

**Owner:** Curt & Diane Hardin  
Private, Recreational

**Home Port:** Fruitland, Idaho

**Designer:** Darell Bentz

**Builder:** Bentz Boats, LLC

**Construction Material:** Aluminum

**Length:** 27'-0"

**Bottom:** 7'

**Beam:** 9'

**Draught:** 8"

**Engines:** 2-5.7L Kodiak Marine

**Jet Units:** 2-212 Hamilton Jet

**Impellers:** 3.4Kw Turbo Impellers

**Maximum Speed:** ~ 55 mph

**Cruising Speed:** ~ 35 mph

**Fuel:** 160 Gallon Gas

**Range:** 350 Miles
