Harv & Marv's Outback Alaska 30' Twin Outboard "Alaskan"

The "Alaskan" was specifically designed for the open waters of Juneau, Alaska and the whale watching opportunities in the area. Twin 250hp Yamaha outboards produced a 30 knot cruise with full passenger weights and fuel at 4500 RPM's. Features include individual Bostrom spring ride seats, spacious viewing windows, Wallas diesel heaters and defrosters including side window defrost, on board head with pump out and overboard capabilities, spacious forward and aft deck. Specially designed offshore bracket and trim tabs allows the operator numerous trim options for the boat depending upon water conditions.

Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.
