"Jenny Leigh" 34' Twin Outboard

Jenny Lake Boating's the "Jenny Leigh" is powered by twin Honda 200 hp outboards. Used primarily as a water taxi service on Jenny Lake in the Grand Teton National Park this vessel safely accommodates up to 34 passengers and crew. Designed for open air travel the vessel transports its passengers to various trailheads within the park. Spacious seating allows for families, backpackers and other outdoor enthusiasts to enjoy the beauty the park offers. "Jenny Leigh" was designed for outboards but was also set-up to accommodate inboard engines and jet units at a future date. Extras include a PA system and is ADA compliant with wheel chair tie downs.

Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.

SPECIFICATIONS
