Mackay Bar - "Scharlotta"

The "Scharlotta" was specifically designed for lodge passenger transport, fishing and sight seeing along the Salmon River in Idaho plus transport of lodge supplies. Standard features include mechanical stick steering, sled shaped bow and forward, center drivers station. Extras include overhead viewing windows and center life jacket storage, bow rails and spot lights. Powered by twin Kodiak 6.0L gasoline engines and Hamilton 213 jets.

Bentz Boats has set the standard for quality and innovation for over 40 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz Boats has developed our hull designs to operate in the conditions specific to each customer. From shallow, fast running rivers to open saltwater conditions. Each boat is designed with passenger comfort, stability and safety in mind.
