Plant Location - 155 Southport

Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats's superior handling, quick planing and shallow running capabilities.

## Vogel Outdoor Adventures 22' Single Gasoline

Vogel Outdoor Adventure's boat is powered by a single Kodiak 350 gasoline engine and coupled to a Hamilton 212 with 3.4 turbo impeller. The sled incorporates an Icy Tech cooler seat ahead of the console and 1-2 directional seat. Features include full instrumentation, mechanical stick steering, livewell/fish box forward with wash-down, bow storage and both bow and rear rails with rod holders. A full sized swim deck accommodates a trolling motor with remote start/stop plus tilt/trim functions on the dash and a swim deck ladder.
