Bentz Boats has set the standard for quality and innovation for over 35 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

## Adventure Ketchikan Tours "Miss Avery" & "Miss Allison"

The "Miss Avery" and "Miss Allison" was specifically designed for the open waters of Ketchikan, Alaska and USCG certified for 44 passengers. Triple 425hp Cummins QSB6.7 diesel engines and Hamilton HJX27 jet units provided a 30 knot cruise with full passenger weights and fuel at 2600 RPM's. The vessel was designed to safely carry passengers to a bear viewing area historically reached by airplane. Due to it's ability to operate in most weather and water conditions it could more reliably get passengers to their destination. Amenities include a large aft deck for viewing, spacious interior seating, large viewing windows, heated cabin space, on board head and galley serving area allows comfortable travel and viewing in any weather condition.
